We are Daughters of the Arts. We aim to give back to the community, by providing scholarships to individuals and families who would not otherwise be involved with martial arts classes or functions due to the financial stress of the activity.

We enjoy knowing that we can send kids, teens, women, college students (the list is endless) to tournaments, seminars, camps, and classes that will provide lessons and experiences that will last a life time.

We are soliciting donations in any amount that you can afford to give. Your money will be used to develop seminars and programs that promote female participation and longevity on the martial arts; as well as contribute to the funds for our scholarship applicants.

A copy of this form and our letter of “Thank You” indicating your exact donation are sufficient documentation of your donation for tax purposes.
